

A 2x2 grid of four apples, each showing a different color variation. The top-left apple is predominantly red with some yellow-green at the stem. The top-right apple is predominantly yellow-green with some red streaks. The bottom-left apple is predominantly yellow-green with some red streaks. The bottom-right apple is predominantly red with some yellow-green at the stem. The apples are arranged in a 2x2 grid, showing different color variations of the same fruit.
